Hiring Manager

Unitiva

[Company Address]

Naples, Campania, Italy

Dear Hiring Manager,

I am writing to express my interest in the Odoo Software Developer position at Unitiva, as advertised on LinkedIn. With a strong background in programming, extensive experience in software development, and a passion for building efficient business solutions, I believe I am an excellent candidate for this role.

I hold a Ph.D. in Artificial Intelligence from the University of Pisa, where I have focused on improving machine translation quality. This experience has equipped me with advanced analytical skills and a deep understanding of machine learning, essential for tackling complex software development challenges. Moreover, I have completed a Data Science bootcamp, which honed my Python and SQL skills and familiarized me with data-driven decision-making processes.

In terms of practical experience, I have successfully worked as a Freelance Java Developer, where I developed

Minecraft plugins using Bukkit and Spigot API. This role required creativity, problem-solving, and collaboration to create custom features and ensure compatibility across systems. My background in natural language processing and machine learning further enhances my ability to create custom Odoo modules tailored to specific business needs.

Unitiva's commitment to inclusivity and diversity resonates with my personal values, and I am particularly excited about the opportunity to be part of a team that supports professional growth through training and collaboration. My technical expertise in Python, SQL, and various programming languages, along with my proficiency in integrating complex systems, positions me to contribute meaningfully to your projects.

I am eager to bring my skills in Odoo development, API integration, and team collaboration to Unitiva. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your esteemed company.

Warm regards,

Antonio Castaldo
